HIGH COMMISSION OF INDIA  
लिलोंगवे (मलावी)  
LILONGWE (MALAWI)

## PUBLIC NOTICE

The Ministry of Environment, Forests and Climate Change (MoEFCC), Government of India has been taking several measures towards pollution control, conservation & protection of the environment, forests & wildlife, afforestation and regeneration of degraded areas, among other things to improve the environment of the country.

2. As you know, participation of the people is very crucial for any Government initiatives to succeed. Therefore, Indian citizens and people should voluntarily come forward and resolve to protect their environment.

3. To spread awareness amongst the masses about Green Goods Deeds, MoEFCC has prepared some Audio-visual material on subjects " 'No to Plastic', 'Air Pollution' and 'Save Water' etc. The link to these audio-visual material is given below:-
