PLASTINDIA 2018

EMPOWERING GROWTH

10th International Plastics Exhibition, Conference & Convention

Feb. 7-12, 2018, Gandhinagar - Ahmedabad, Gujarat, India.

Welcome to PLASTINDIA 2018 - One of the largest Plastics Exhibitions in the Asia Pacific Region. The 10th Edition will showcase two distinct and critical facets - The future of the Plastics Industry and the future of humankind itself.

The growth segments like Automobiles, Healthcare, Packaging, Infrastructure, Agriculture, Telecom, New & Renewable Energy and the emerging segments like Plastic Composites, Sports, 3-D Printing - that shall drive us in creating better equipped human beings, whether physically or in terms of ability - to navigate hostile terrain, to nurture and support nature or to create magic by translating thought into product on a daily basis; will all be here.

For any significant player in the Plastics paradigm, the next destination is the world's fastest growing major economy - INDIA. Who can bring India to the world better than PLASTINDIA EXHIBITIONS. For those who want to know 'what is next?' **NEXT is HERE!**

INDIA - DRIVING GLOBAL GROWTH

400 Million
middle class &
growing

7.5% YoY Growth
in GDP - More than
twice as much as any
other major economy

550 Million
workforce
by 2020

Billion by FY 2018

2 Million
Tonnes of annual
Plastics consumption
by agriculture
alone by 2020

13% YoY CAGR
for engineering
Plastics till 2020

The PLASTINDIA 2018 will be organized in the same venue of PLASTINDIA 2015 - Gandhinagar, the capital city of Gujarat - The emerging financial hub of India which offers a futuristic infrastructure with excellent connectivity. The venue by itself offers a world-class infrastructure designed and developed at par with the other leading exhibition venues across the world.
