**India CHEM 2018**

The 10th edition of India Chem will be held from 4<sup>th</sup> to 6<sup>th</sup> October 2018 at Bombay Exhibition Centre, Mumbai, India. The event is jointly being organised by the Department of Chemicals and Petrochemicals, Government of India and FICCI and is one of the largest composite events of Chemicals and Petrochemicals industry of the Asia Pacific region.

The event will comprise of an international exhibition and a conference of representatives of participating global giants from various associated fields. The last edition of India-Chem was held from September 1-3, 2016 at Mumbai witnessed 282 exhibitors from manufacturing, end users and intermediate segments, 146 international participants and 16,162 business visitors from various countries. The Indian chemical industry is valued at \$155 billion and is growing at 8 to 10percent per annum.

India Chem 2018 will showcase Government policy for sustained growth in the sector and will provide a platform for investors, both domestic and international, and other stakeholders to interact and forge alliances.
