PUBLIC NOTICE

As the Indian community would be aware, the holy shrine of Kedarnath was struck by a major natural calamity in 2013. That had caused massive loss of human life and large scale destruction of property and infrastructure in Kedarnath and in other parts of Uttarakhand.

2. The State of Uttarakhand is now planning to reconstruct and develop 'Kedarnath' as 'Smart Township' restoring the shrine and the surrounding areas to its pristine glory, including provision of modern amenities and services to the devotees. To meet this goal, the Uttarakhand Government has now constituted 'Shri Kedarnath Charitable Trust' to seek funds for reconstruction works for Kedarnath Dham.

3. In view of the great reverence and prominence of Kedarnath as one of the holiest shrines of India, the India Associations, Indian nationals and PIOs in Malawi may like to consider contributions to this noble cause, through the Kedarnath Charitable Trust. The following are the details of the Trust:-

Shri V.S.Chauhan
Joint Director (Tourism)
Government of Uttarakhand
(Mob: +91 9412998506
