

Save the Children

TENDER NOTICE

Supply of Medical Drugs & Supplies

Save the Children is the world's leading independent organization for children, which works in over 120 countries around the world. OUR VISION is to have a world in which every child attains the right to survival, protection, development and participation. OUR MISSION is to inspire breakthroughs in the way the world treats children, and to achieve immediate and lasting change in their lives.

Save the Children has worked in Malawi for 30 years and is currently operating in 20 out of 29 districts, covering all regions. The core programming areas are Maternal and Child Health, HIV/AIDS, Education and Child Development, Child Protection and Child Rights Governance, Food and Livelihoods Security, Social Protection and Emergency Response. We remain committed to developing strong partnerships to ensure that all children in Malawi thrive in a safe family environment and benefit from greater public investment and better use of society's resources in realising their right to protection from violence, abuse, exploitation and neglect.

Save the Children International Malawi, under the ECHS Project, is inviting submissions of tenders for supply of the following medical drugs and supplies:
