

Procurement Notice – Supply of Goods and Services

Heifer International Malawi (HIM) is a branch of Heifer Project International (HPI) a U.S. based non-profit organization that works with resource – limited households and communities with a desire to improve their lives through community development activities such as agricultural and livestock production, organizational and agribusiness development. Heifer International's focus over the past 70 years has been on sustainable development anchored on its mission to work with communities to end hunger and poverty and care for the Earth.

Heifer International Malawi (HIM) in partnership with Farmers Union of Malawi and CISANET is implementing the Central Dairy Scale-Up Programme (CDSP) with financial support from The Government of the United Kingdom of Great Britain and Northern Ireland acting through the Department for International Development (DFID) in Dowa, Mchinji and Lilongwe districts. The goal of the project is to improve the Dairy Sector Productivity, Efficiency and Sustainability in Malawi.
